Analysis of Parents Feedback

Analysis Report

The feedback of parents is very important for the overall development of any higher education institute. Parents feedback provides us suggestions regarding college staff, infrastructure facilities as well as support of management towards admission & other policies of college. The feedback of parents is also get importance because many of times students do not communicate with their parents regarding their academic progress and sometimes problems they are facing in their learning process. We have collected feedback from parents in the last five academic years. The feedback analysis is given below.
