### Scholarship/ Student Aid Fund for Indigent Student

#### Introduction:

The institute gives scholarships and freeship to the students with the objective to encourage students for better performance. Also, the institution believes that no student must be deprived of education due to financial barrier for which scholarship is given to needy students.

The college tries to ensure that needy and deserving students get financial assistance in any one of the following ways:

1. Students are encouraged to apply for various scholarships offered by the affiliating university.
2. Students are encouraged to apply for various scholarships offered by the Higher Education Department
3. Students are encouraged to apply for Rajshri Shahu Maharaj Scholarship for students admitted in Open Category.

“An investment in knowledge pays the best interest”

- Benjamin Franklin

This quote serves as a poignant reminder of our collective responsibility to ensure access to education for all individuals. Despite being born equal, society often divides us based on caste, religion, and social status, leading to privileges for some while leaving others struggling to meet even their basic needs. It is our duty to recognize this disparity and work towards the betterment of those who are less fortunate. Education emerges as a powerful tool in the fight against poverty and inequality. It plays a pivotal role in the holistic growth and development of students, particularly for those who are financially underprivileged. Education opens doors to opportunities that pave the way for a better life. Therefore, it is imperative to prioritize and guarantee quality education for everyone, as it is a vital catalyst for individual growth, societal progress, and overall development.
