Anti Ragging Committee

❖ Introduction:

Ragging has destroyed a great number of innocent lives and careers. The Hon'ble Supreme Court established directions for establishing a central crisis helpline and anti-ragging database in Civil Appeal No. 887 of 2009 as part of its effort to eradicate it. The Anti-Ragging Committee unit at VADP's Arts, Science, and Commerce responds to student complaints promptly. The anti-ragging cell aims to educate the students and organise workshops against the ragging threat at the start of every year. In their individual classes, both boys and girls are provided information about how the anti-ragging cell operates.

Our college has established an anti-ragging cell. At several places throughout the college, there are suggestion boxes for students. The anti-ragging cell is notified of student complaints regarding racial harassment on campus. The cell's members gather twice throughout the session or as needed to discuss the need for action against any complaint or issue. Depending on the issue's seriousness, it is discussed and resolved. The college's principal receives an annual report that is written by the anti-ragging cell.

SC/ST Committee

“Equal Opportunity Cell”

❖ **Introduction:**

The two most impoverished groups in Indian society have been termed as Scheduled Castes (SC) and Scheduled Tribes (ST). They encompass all castes, races, or tribes that have suffered from social, economic, or educational gaps. The cell was founded to help integrate pupils from these communities into mainstream education. The college has established a committee for the SC/ST cell that serves as the right framework for resolving issues for the students of Arts, Science, and Commerce College, Shirsondi. As per AICTE guidelines, a committee is formed for the prevention of atrocities against SC/ST students under Act No. 33 of the Scheduled Castes and the Scheduled Tribes (Prevention of Atrocities) Act, 1989. In the event of any grievance in this regard, students can approach the committee for redress. The committee will suggest measures to prevent atrocities, if any, against any of the SC/ST students in the institute and to ensure a feeling of security amongst them as per the provisions in the said act.

❖ **Aim:**

"To provide equal opportunity and a healthy atmosphere to students, teaching staff, and non-teaching staff coming from different social backgrounds, as well as ensure there is no caste-based discrimination in the college".

❖ **Objectives:**

The main objectives of the SC/ST cell are as follows:

1. To mentor SC/ST students in order to help them properly manage the academic and personal challenges of college life.
