### Clean and green campus initiatives

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind. Greening the campus is all about sweeping away wasteful inefficiencies and using conventional sources of energies for its daily power needs, correct disposal handling, purchase of environment friendly supplies and effective recycling program. Institute has to work out the time bound strategies to implement green campus initiatives. These strategies need to be incorporated into the institutional planning and budgeting processes with the aim of developing a clean and green campus.

#### GREEN CAMPUS POLICY

1. Restricted entry of vehicles • All the vehicles of college staff/ faculty members should be getting the emission certification before entering the vehicle in college campus. • The college encourages the employees and students to frequently use public transport, bicycles, etc. to limit the emissions.
2. Use of Bicycle/ battery powered vehicles • College uses the Battery-powered vehicles for in house transport. • All electricity use within a new building space maximizes the use of renewable energy.
3. Pedestrian-friendly pathways • Shirsondi college campus follows the Pedestrian-friendly pathways in all the buildings. • Pedestrian-friendly pathways are properly marked with suitable logo/sign.
4. Ban on use of Plastic • the college continuously committed to work towards plastic-free campus. • In the Shirsondi College campus there is complete ban on single-use plastics in class room, labs canteens in the institution's premises and hostels.
5. Landscaping with trees and plants • Medication plants and more fruit plants and trees have been planted to clean the atmosphere.

### Clean campus initiatives:

The college has made Green Audit in the academic year 2018-23. Details of the tree till the end of June 2023 in the college premises.

- The College has made the following efforts to keep the campus clean
- The college has arranged for hired labourers for daily cleaning.
- Daily arrangements have been made for cleaning.

### Toilet cleaning

- College staffs, students have arranged cleaning labour on call basis for required days of the week for toilet cleaning.

### Shramdan from students

- College Campaign Cleaning Campaign is implemented by the college students as per the requirement. Students of NSS are participating in this activity.

B) The College has made the following efforts for Green Campus:

Hired labourers are provided for watering Servants for watering campus plant.

- All the trees in the college, water supply for the lawn of the college, maintenance and upkeep of the trees.
- Bore wells and elevator motor pump system
- To provide permanent water supply to the trees and lawns, two bore wells and two elevator motor pumps have been provided to provide water to the trees throughout the year.

### Electric wireman availability

- Electric Wireman is available on call basis to ensure immediate and uninterrupted supply of water to the trees in case of faulty elevator motor pump system.

### Increase in annual plantations

- The college is increasing the number of tree plantations every year. Naturally damaged

Trees are being replanted and tree conservation activities are being carried out continuously.

### Tree planting and conservation by students

The National service Scheme of the College is for tree planting and conservation by NSS students.

### **Rainwater harvesting dam**

- The college had a storage dam for rain water storage. Considering the growing number of trees and the growing need for tree conservation, the college has constructed dam to facilitate maximum storage of rain water.

### **Rainwater harvesting**

- The rainwater from the roof of the college office is collected and transported through a pipeline to the storage pond.

### **Bore well recharge**

- Arrangements have been made by the college to recharge the bore wells in the college

### Beyond the campus environmental promotion activities:

The College has rich culture of environment promotion activities that connects to society. These are organized with the help of all the stakeholders. It mainly includes tree plantation, cleanliness drives, rallies and awareness programmes about pollution, open defecation, health and hygiene, hazards of tobacco, etc. These activities are helpful to explore the inner potential of the student's youth, to build the leadership skill, to develop the sense of belongings, to inculcate the sense of responsibility, and thereby to lay the foundation of strong nation. NSS volunteers participate in these activities. From the year 2021-2022, the college have been adopt the nearby village from Shirsondi and does the environmental promotion activities by 'Shramdan'. It means a voluntary contribution by the person towards community welfare involving physical effort. It is a way of helping our community and to protect the environment around us for sustainable development. A special winter camps were organized in the adopted villages where NSS volunteers worked for Check Dams through Shramdan, Cleanliness Drives and Tree Plantation. Rallies were organized for AIDS awareness. During COVI-19 Pandemic situation, college was actively involved in awareness of COVID-19.
