Criterion-VII:

7.3. Institutional Distinctiveness

7.3.1 Portray the performance of the Institution in one area.

INSTITUTIONAL DISTINCTIVENES

The college is situated in rural area. It focuses keenly on the holistic development of students and provides them with every opportunity and resource to facilitate their holistic development. This is one of the distinctive features the institute, whose details are going to see below in short.

Holistic development of students:

As visible from vision and mission statements the institute has been focusing on the holistic development of students while aiming at excellence in education and meeting the quality standards set by accrediting and regulatory bodies. Student centric activities at the institute are designed for achieving holistic development of the students.it has been divided into four components namely intellectual, social, physical and emotional developments.

Intellectual development:

The institute, implements university curriculum through well plan and effective teaching learning activities blended with latest pedagogy approaches. Various approaches have been taken to enable students to meet their individual needs the educational program is provided by experts and well educated and qualified faculties as far as the rural background of the college student is concerned the institute provide the activities related to rural background. The college pro-actively identifies curriculum gaps and makes provision for imparting the content the on syllabus bridging gaps. The student are facilitated to work on relevant problem related society like nourishment of cattle, dairy products health issues and also intuition provides training of farming, update technology online services mobile repairing for needy students.

Social Development:

The institute gives more importance nurtured the social skills among the students through conducting various activities.

The student are exposed to diverse social structure and there issues particularly in the neighboring areas through National Service Scheme implemented at the institute in collaboration with the SPPU. The student undertakes activities of spreading social awareness about various burning topics. Navratri is very big religious festival in Maharashtra number of the devotees travel to Saptshrungi Gad from various nooks and corner of the Maharashtra on foot. The student of the institution voluntarily helps the people travelling for the Padyatra by cleaning the temporary residential places of the people. Students also help traffic police and play the role of police Mitra during festival. Apart from that the college also celebrate international yoga day each year. During the camps held at various village adapted by the institute through NSS.

Emotional Development:

Emotional health of the student is given apt attention at the institute the mentor mentee system is in place that ensures the students contact with faculty at least once every two weeks. During these meetings students can discuss their academics as well as their personal problems with the faculty. Appropriate counseling is provided by the mentor faculty to the students. There are special female mentors at the institute for a group of 15-20 girls students who meet the girls students regularly understand their difficulties if any, and guide them about probable solutions.

Due to the approach of holistic development **Vidya Amrut Dnyan Pratishtan's Arts, Science And Commerce College's**, graduate students are found to work relentlessly while taking their responsibilities on passing out while being proved to be intellectually competent, morally upright, spiritually inspired and socially committed – they leave footprints of their own, wherever they go.
