“Minority Cell”

❖ Introduction:

The college's minority cell was created in the academic year 2022-2023 with the aim of encouraging the minority groups there. According to the principle that "every student has a right to an education," our institutions are very eager to meet the educational and cultural needs of the minority population in addition to those of other castes, creeds, and nationalities. The Minority Cell primarily supports minority students' intellectual development, including Christian, Muslim, Jain, Buddhist, etc.

❖ Aim:

"To enhance equal opportunities for education of minorities."

❖ Objectives:

1. Minority cell has been constituted in the College to resolve the issues and problems related to the minority students of the College.
2. It helps to enhance equal opportunities for education of Minorities.
3. It helps to encourage students to enrol for career orientation programmes.
4. The cell is committed to provide assistance for minority students through Counselling, personality development classes, remedial coaching, preparatory classes for professional and employment purposes etc.
5. To facilitate financial support to students from minority communities from governmental agencies and other sources.
