The main responsibilities of colleges are to provide students with a high-quality education through a clearly defined teaching-learning process and to make them aware of various concerns through extracurricular and outreach activities. Using guiding principles specified in policy documents under the notion of participatory management, these activities are carried out in coordination with the local community and in line with the college's vision and purpose statements. The following form report and sample photos list the various activities that were carried out, including voter education, celebrations of special days, competitions, Swatchh Bharat Abhiyan, health and hygiene, tree planting and awareness of girl education, national voters day, yoga day, etc.
